In Round 8, we draw a random opposition team to P3&P5 ; that opposition team’s score (Team 2) is recorded, but will not count towards the days total for the players, because they will already have played their 5 games. Please circle the two opposition players that played vs. P3&P5 in that round.

Please make sure the **Date, GameDay, Court Number** (1,2,3,4,5) and **Division** (1,2) as well as all the player names and the game scores are filled in before handing the scoresheet back to the DutyManager.
